PLAN OF ACTION

Contribute supplies, volunteer hours and financial support towards AYA's goal of providing educational services for children, youth and adults.

PURPOSE OF ACTION

Support Afrikan (Black) owned schools and the idea of educational experiences that meet our needs and our cultural context. A Better Choice for Afrikan Children: there are organizations like AYA all over the Diaspora that need our Support!

ABOUT AYA

AYA Educational Institute, directed by Afiya and Wekesa Madzimoyo provides quality educational alternatives for children of Afrikan descent, parents and other adults in an educational and social environment, rich in our past and culture.
